The Soul of Desire Sep 15 2021 Desire and beauty go hand in hand. But both our craving to be known and our ability to create beauty have been marred by shame and trauma, collapsing our imagination for what God has for us. Weaving together neuroscience and spiritual formation, psychiatrist Curt Thompson presents a powerful picture of what it means to be human.

Palace of Desire Jun 12 2021 The second volume of the highly acclaimed Cairo Trilogy from the winner of the Nobel Prize for Literature. Filled with compelling drama, earthy humor, and remarkable insight, Palace Of Desire is the unforgettable story of the violent clash between ideals and realities, dreams and desires.

The Language of Desire May 31 2020 Expressivism has been dominating much of the metaethical debate of the past three decades. The aim of this book is to address a number of questions that have been

neglected in the previous discussion. These primarily concern the psychological commitments and the methodological status of expressivism as well as important differences and similarities between the approaches of the 'classic' expressivists Ayer, Stevenson, Hare, Blackburn und Gibbard.

Commodities of Desire Dec 26 2019 The first collection of essays treating exclusively the figure of the prostitute in modern German literature.

The Vine of Desire Dec 18 2021 THE VINE OF DESIRE is the story of Anju and Sudha, two young women far from Calcutta, the city of their childhood, and who after a year of living separate lives are rekindling their friendship in America. The deep-seated love they feel for each other provides the support each of them needs. It gives Anju the strength to pick up the pieces of her life after a miscarriage, and Sudha the confidence to make a life for herself and her baby daughter, Dayita - without her husband. The unlikely relationships they form with men and

women in the world outside the immigrant Indian community as well as their families in India profoundly transform them, forcing them to question the central assumptions of their lives, especially when they must confront the deeply passionate feelings that Anju's husband has for Sudha. *THE VINE OF DESIRE* is a novel of extraordinary depth and sensitivity. Through the eyes of people caught in the clash of cultures, Divakaruni reveals the rewards and the perils of breaking free from the past and the complicated, often contradictory emotions that shape the passage to independence.

Object of Desire Mar 09 2021 Danny Fortunato, once the hottest go-go boy in West Hollywood, now going through a midlife crisis and still grieving for his sister, who disappeared when he was a teenager, meets a gorgeous young man who makes him question his choices and his love for his partner, Frank.

Toxic Desire Sep 03 2020 Nemona can't believe she's crashed on the planet Fyrian with the brooding, golden-skinned alien who destroyed her ship. She should want to kill him, but everything on Fyrian is an aphrodisiac so she just wants to have him. Now. Revenge. That's all commander Oten has wanted against humans for more than a century, ever since they tried to destroy his kind. He never thought he'd end up in bed with one. But the desire the sex planet stokes for this human female is eating at him. Keeping his hands, mouth, and vampiric fangs to himself proves impossible—especially when she's begging him to touch her.

Nemona has no idea what endless sex with a Ssedez will do to her. But Oten knows all too well. They need to get off this planet before their coupling stirs an alien mating bond that neither of their hearts can withstand... Each book in the Planet of Desire series is *STANDALONE*: * Toxic Desire * Captive Desire

Alchemy of Desire/Dead-Man's Blues Jan 19 2022 Award-winning play with songs by Caridad Svich that examines grief, loss and the power of love. A young woman loses her husband in a recent war. A community rallies round to save her.

A Game of Desire Sep 22 2019 This Regency is a sure bet. "A splendid historical romance . . . the story has depth and emotion, on top of being a

fun and entertaining read." —The Book Review The Queen of Diamonds never loses . . . Felicity Fox is a rarity for a woman living in the early 1800s. Not only does she frequent the "gambling hells" where most ladies would not dare to tread, she can also beat any man at his own game. It's no wonder she's gained notoriety as the "Queen of Diamonds." Edward, Earl of Addington, despises gambling and is not exactly enamored of Felicity Fox either, especially since she one tried to swindle his family. Except now the Earl requires assistance from the Queen of Diamonds—and he has everything to lose. But involving herself with Edward might be the most dangerous game that Felicity has ever played . . . "Stunning . . . a sexy, exciting and entertaining romance." —Chicks, Rogues and Scandals

Objects of Desire Jul 25 2022 "A debut story collection of the rarest kind . . . you wish that every single entry could be an entire novel."

—Entertainment Weekly Fresh, intimate stories of women's lives from an extraordinary new literary voice, laying bare the unexpected beauty and irony in contemporary life A college freshman, traveling home, strikes up an odd, ephemeral friendship with the couple next to her on the plane. A mother prepares for her son's wedding, her own life unraveling as his comes together. A long-lost stepbrother's visit to New York prompts a family's reckoning with its old taboos. A wife considers the secrets her marriage once contained. An office worker, exhausted by the ambitions of the men around her, emerges into a gridlocked city one afternoon to make a decision. In these eleven powerful stories, thrilling desire and melancholic yearning animate women's lives, from the brink of adulthood to the labyrinthine path between twenty and thirty, to middle age, when certain possibilities quietly elapse. Tender, lucid, and piercingly funny, *Objects of Desire* is a collection pulsing with subtle drama, rich with unforgettable scenes, and alive with moments of recognition each more startling than the last—a spellbinding debut that announces a major talent.

The Museum of Desire May 11 2021 When a crime of unprecedented malice occurs in a deserted Bel Air mansion, LAPD Lieutenant Milo Sturgis and psychologist Alex Delaware navigate blind mazes in their

efforts to identify links among the victims and how they were killed. *That Obscure Subject of Desire* Aug 02 2020 An interdisciplinary collection of papers on Freud's sixth and final case psychogenesis of a case of homosexuality in a woman. To date this case has received very little attention, which can be seen as a sign of the marginalization of lesbians in both psychoanalytic theory and culture. This text seeks to rectify this neglect, providing a forum where questions surrounding this case can be discussed. This edition first published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Wings of Desire Jan 07 2021 Not your (grand)mother's fairytale... Rhiannon Kinsley's life goes from boring to downright crazy when a freak lightning bolt strikes her laptop. To make matters even more bizarre, strange words and symbols flash across the computer screen and she hears a mysterious voice. Time to call the men in white coats! Then Cerne Silverwing, an intriguingly sexy man, appears. He insists she's a faerie princess whose fate will determine his own. What a crock! Now she knows who really needs those white coats. With the Dark Faerie forces threatening their kingdom, Cerne kidnaps Rhiannon and brings her to Fey, a land where magic knows no bounds. He's performing a duty to save his kingdom and nothing more--a duty that will bring him his wings and the strengthened magic that comes with them. If he doesn't unite with the princess as her consort, those wings will never grow. But this princess grew up in the land of laptops and instant messages, and she's convinced they're both crazy. Despite their differences, the two are thrust together to defeat the whip-wielding Dark Faerie Queen before she takes over their kingdom. Passion and peril aside, will Rhiannon and Cerne discover their true destiny? **WINGS OF DESIRE** is the 2011 Booksellers' Best winner for erotic romance.

The Other Side of Desire Apr 10 2021 Jacob is a man with an overwhelming attraction to female feet. The Baroness is a clothing designer and evangelical sadist. Roy is a wedding band singer entranced by his step daughter. Ron and Laura are simply in love - only Laura lost both her legs in a car accident, and Ron is beguiled by a beauty many would be blind to. How do we deal with desire? Our own, and the desires

of others? How do we comprehend desires that are extreme, or unacceptable? And how do those who have them, live with them? In *A Map of Desire* Daniel Bergner takes us on a journey into human passion suffered, endured, and celebrated. Desire is a sometimes anarchic, sometimes ecstatic, sometimes destructive, sometimes redeeming, and always powerful force. Immersing himself in it through the people whose lives he follows and the scientists he spends time with who are trying to understand it, slowly he exposes and illuminates layers of our humanity. *Kierkegaard and the Staging of Desire* Mar 29 2020 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose—ignoring or condemning apophatic traditions and the spiritual eros that drives them. For too long, Kierkegaard has been read along these lines as a progenitor of twentieth-century neo-orthodoxy and a stern critic of the erotic in all its forms. In contrast, Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite, insatiable eros. He depicts the essential purpose of Kierkegaard's writing as to elicit ever-greater spiritual desire, not to provide the satisfactions of doctrine or knowledge. Hughes's argument revolves around close readings of provocative, disparate, and (in many cases) little-known Kierkegaardian texts. The thread connecting all of these texts is that they each conjure up some sort of performative "stage setting," which they invite readers to enter. By analyzing the theological function of these texts, the book sheds new light on the role of the aesthetic in Kierkegaard's authorship, his surprising affinity for liturgy and sacrament, and his overarching effort to conjoin eros for God with this-worldly love.

Lessons of Desire Feb 20 2022 Rescued from prison after an unjust arrest by Lord Elliot Rothwell, publisher Phaedra Blair quickly discovers that the price of her freedom is a promise to not publish a slanderous manuscript that could destroy his family's reputation.

Spell of Desire Jun 19 2019 Kaoruko Mochizuki runs an herb shop in a small seaside town. One day, a mysterious man dressed in black named Kaname Hibiki enters her shop and reveals that Kaoruko is actually a witch. And what's more, Kaoruko needs Kaname to help control her

awakening power! With the reawakening of the Witch Queen, Kaoruko and Kaname are called back to the coven. As his punishment for betraying the Witch Queen and falling in love with Kaoruko, Kaname has his five senses, and even his memories of Kaoruko, stripped from him. Unable to fight against such a powerful spell, the two are in despair, but they discover that Kaoruko, who has received the blessing of a white witch, may be the only one capable of breaking that spell!

Touch of Desire Nov 05 2020 Known as the Dewin Mawr, the Great Sorcerer, to those with magical gifts, the Earl of Graymar, a descendant of an ancient Welsh clan of magic makers, gets more than he had bargained for when he meets mortal Sarah Tamony, a beautiful and passionate storyteller. Original.

The Botany of Desire Jun 24 2022 "Pollan shines a light on our own nature as well as on our implication in the natural world." —The New York Times "A wry, informed pastoral." —The New Yorker The book that helped make Michael Pollan, the New York Times bestselling author of *How to Change Your Mind*, *Cooked* and *The Omnivore's Dilemma*, one of the most trusted food experts in America Every schoolchild learns about the mutually beneficial dance of honeybees and flowers: The bee collects nectar and pollen to make honey and, in the process, spreads the flowers' genes far and wide. In *The Botany of Desire*, Michael Pollan ingeniously demonstrates how people and domesticated plants have formed a similarly reciprocal relationship. He masterfully links four fundamental human desires—sweetness, beauty, intoxication, and control—with the plants that satisfy them: the apple, the tulip, marijuana, and the potato. In telling the stories of four familiar species, Pollan illustrates how the plants have evolved to satisfy humankind's most basic yearnings. And just as we've benefited from these plants, we have also done well by them. So who is really domesticating whom?

[The Boundaries of Desire](#) Aug 22 2019 The act of reproduction, and its variants, never change much, but our ideas about the meaning of sex are in constant flux. Switch a decade, cross a border, or traverse class lines and the harmless pleasures of one group become the gravest crimes in another. Combining meticulous research and lively storytelling, *The*

Boundaries of Desire traces the fast-moving bloodsport of sex law over the past century, and challenges our most cherished notions about family, power, gender, and identity. Starting when courts censored birth control information as pornography and let men rape their wives, and continuing through the "sexual revolution" and into the present day (when rape, gay rights, sex trafficking, and sex on the internet saturate the news), Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality. By focusing on the stories of real people, Berkowitz adds a compelling human element to what might otherwise be faceless legal battles. The law is made by people, after all, and nothing sparks intolerance – on the left and right -- more than sex. Ultimately, Berkowitz shows the emptiness of sanctimonious condemnation, and argues that sexual questions are too subtle and volatile for simple, catch-all solutions.

Desire Dec 06 2020 Does action always arise out of desire? G.F. Schueler examines this hotly debated topic in philosophy of action and moral philosophy, arguing that once two senses of "desire" are distinguished -- roughly, genuine desires and pro attitudes -- apparently plausible explanations of action in terms of the agent's desires can be seen to be mistaken. *Desire* probes a fundamental issue in philosophy of mind, the nature of desires and how, if at all, they motivate and justify our actions. At least since Hume argued that reason "is and of right ought to be the slave of the passions," many philosophers have held that desires play an essential role both in practical reason and in the explanation of intentional action. G.F. Schueler looks at contemporary accounts of both roles in various belief-desire models of reasons and explanation and argues that the usual belief-desire accounts need to be replaced. Schueler contends that the plausibility of the standard belief-desire accounts rests largely on a failure to distinguish "desires proper," like a craving for sushi, from so-called "pro attitudes," which may take the form of beliefs and other cognitive states as well as desires proper. Schueler's "deliberative model" of practical reasoning suggests a different view of the place of desire in practical reason and the explanation of action. He holds that we can arrive at an intention to act by weighing the relevant

considerations and that these may not include desires proper at all. A Bradford Book

The Syntax of Desire Oct 04 2020 In medieval culture, the consideration of language is deeply connected to other aspects of the system of knowledge. One interesting connection takes place between theories of language and theories of larger concepts such as love and desire. The Syntax of Desire is an interdisciplinary examination of the interlacing operation of syntax and desire in three medieval 'grammars': theological, linguistic, and poetic. Exploring three representative aspects of medieval language theory, Elena Lombardi uncovers the ways in which syntax and desire were interrelated in the Middle Ages. She suggests that, in Augustine's theology, the creative act of God in the universe emerges as a syntax that the human individual must interpret by means of desire; in the linguistic theory of the Modistae, she sees the syntax of language as parallel to a syntax of reality, one organized by the desiring interplay of matter and form; in Dante's poetry, she argues that the language of the fallen human is bound together by the syntax of poetry, an act of desire that restores language to its primitive innocence. In addition to detailed analyses of medieval texts, The Syntax of Desire examines some aspects of the same relationship in light of contemporary linguistics, philosophy of language, and psychoanalysis.

Discourses of Desire Apr 29 2020 Kauffman looks at a neglected genre—the love letter written by literary heroines. Tracing the development of the genre from Ovid to the twentieth-century novel, she explores the important implications of these amatory discourses for an understanding of fictive representation in general.

The Psychology of Desire Oct 16 2021 Providing a comprehensive perspective on human desire, this volume brings together leading experts from multiple psychological subdisciplines. It addresses such key questions as how desires of different kinds emerge, how they influence judgment and decision making, and how problematic desires can be effectively controlled. Current research on underlying brain mechanisms and regulatory processes is reviewed. Cutting-edge measurement tools are described, including practical recommendations for their use. The

book also examines pathological forms of desire and the complex relationship between desire and happiness. The concluding section analyzes specific applied domains—eating, sex, aggression, substance use, shopping, and social media.

The Botany of Desire Aug 26 2022 “Pollan shines a light on our own nature as well as on our implication in the natural world.” —The New York Times “A wry, informed pastoral.” —The New Yorker The book that helped make Michael Pollan, the New York Times bestselling author of How to Change Your Mind, Cooked and The Omnivore's Dilemma, one of the most trusted food experts in America Every schoolchild learns about the mutually beneficial dance of honeybees and flowers: The bee collects nectar and pollen to make honey and, in the process, spreads the flowers' genes far and wide. In The Botany of Desire, Michael Pollan ingeniously demonstrates how people and domesticated plants have formed a similarly reciprocal relationship. He masterfully links four fundamental human desires—sweetness, beauty, intoxication, and control—with the plants that satisfy them: the apple, the tulip, marijuana, and the potato. In telling the stories of four familiar species, Pollan illustrates how the plants have evolved to satisfy humankind's most basic yearnings. And just as we've benefited from these plants, we have also done well by them. So who is really domesticating whom?

Three Faces of Desire Jul 01 2020 To desire something is a condition familiar to everyone. It is uncontroversial that desiring has something to do with motivation, something to do with pleasure, and something to do with reward. Call these "the three faces of desire." The standard philosophical theory at present holds that the motivational face of desire presents its unique essence—to desire a state of affairs is to be disposed to act so as to bring it about. A familiar but less standard account holds the hedonic face of desire to reveal to true nature of desire. In this view, to desire something is to tend to pleasure if it seems that the desired state of affairs has been achieved, or displeasure if it seems otherwise, thus tying desire to feelings instead of actions. In Three Faces of Desire, Schroeder goes beyond actions and feelings to advance a novel and controversial theory of desire that puts the focus on desire's neglected

face, reward. Informed by contemporary science as much as by the philosophical tradition, *Three Faces of Desire* discusses recent scientific discoveries that tell us much about the way that actions and feelings are produced in the brain. In particular, recent experiments reveal that a distinctive system is responsible for promoting action, on the one hand, and causing feelings of pleasure and displeasure, on the other. This system, the brain's reward system, is the causal origin of both action and feeling, and is the key to understanding the nature of desire.

Regimes of Desire Mar 21 2022 Explores the limitations of sexual expression in Tokyo's "safe" nightlife district and in Japanese media

The Custom-House of Desire Jul 21 2019 Forty-seven short narratives by 24 surrealist writers.

Lessons of Desire Jan 27 2020 Handsome, suave, and carnal as the devil, Lord Elliot Rothwell awaits readers in *Lessons of Desire*, bestselling author Madeline Hunter's latest book in the Rothwell series and her most provocative novel to date. A man used to getting what he wants, Elliot is every woman's most secret fantasy in the living flesh. He first appears beneath her prison window as her savior—a sinfully attractive man whose charm and connections have ensured her release from an unjust arrest. But author and publisher Phaedra Blair quickly learns that the price of her "freedom" is to be virtually bound to her irresistible rescuer. For Elliot Rothman didn't come solely on a mission of goodwill. He came to extract a promise that Phaedra won't publish a slanderous manuscript that could destroy his family's name, and he's not above bribery, threats, or bedding her to get his way. And with each erotic encounter raising the stakes between them, Elliot discovers he's ever more reluctant to lose this sensual game...or the one woman who's every bit his match.

The Game of Desire Oct 28 2022 "Forget what you think you know about dating—sexologist Shan Boodram is here to take you back to school." - Apple Books Review "Boodram's brand of relationship advice...focuses on empowering single women with the tools they need to succeed in the digital dating era." - Refinery29 Women: gain control and confidence in your love lives and find the relationship you want with this modern, life-

changing guide from the certified sex educator, intimacy expert, and YouTube personality. For younger generations, dating is a complicated mystery. Apps like Tinder and Bumble are supposed to foster connection, but instead serve as a reminder of how painfully single we are. Certified sexologist and intimacy coach Shan Boodram—the most sought-after sex educator on the internet—is about to change all that. In this essential how-to guide, she addresses the realities of life today—when the rules of love and attraction are fluid—and teaches a group of young women how to become master daters in just sixty days. It starts with you. Shan makes clear that love and self-discovery go hand in hand—your dating life is just as much about you as it is about other people. She challenges you to look inside yourself for what you want out of a partner, a relationship and, most important, yourself. Once you figure out what you want from dating, she shows you exactly how to get it. *The Game of Desire* empowers you to take the lead, learn your strengths, and identify and correct your weaknesses, all the while getting inspired watching a group of women learn how to succeed in today's dating pool. While many books tell women why they can't get a date, Shan teaches you the skills and techniques necessary to take charge in today's competitive and often confusing dating scene, providing the tools essential to attract—and retain—the partner(s) you want. From learning love languages to debunking dating myths, she helps women build knowledge and confidence. Featuring conversational case studies, comprehensive facts about the psychology of sex and romance, and expert insight into sex culture, and written with her trademark humor and charm, *The Game of Desire* is a must for all of Shan's fans and for every woman struggling to feel loved and desired.

Law of Desire Jul 13 2021 As an Iranian Muslim woman and a granddaughter of a well-known ayatollah, Shahla Haeri was accepted into the communities where she conducted her fieldwork on mut'a, temporary marriage. Mut'a is legally sanctioned among the Twelver Shi'ites who live predominantly in Iran. Drawing on rich interviews that would have been denied a Western anthropologist, the author describes the concept of a temporary-marriage contract, in which a man and an

unmarried woman (virgin, widow, or divorcee) decide how long they want to stay married to each other (from one hour to ninety-nine years) and how much money is to be given to the temporary wife. Since the Iranian revolution of 1979, the regime has conducted an intensive campaign to revitalize this form of marriage, and Shi'i ulama (religious scholars) support it as positive, self-affirming, and cognizant of human needs. Challenged by secularly educated urban Iranian women, and men and by the West, the ulama have been called upon to address themselves to the implications of this custom for modern Iranian society, to respond to the changes that mut'a is legally equivalent to hire or lease, that it is abusive of women, and that it is in fact legalized prostitution. Law if Desire thus makes available previously untapped and undocumented data about an institution in which sexuality, morality, religious rules, secular laws, and cultural practices converge. This important work will be of interest to cultural anthropologist, religious scholars, scholars of the Middle East, and lawyers as well as to those interested in the role of women in Islamic society.

Archeology of Desire Nov 24 2019 "Sagan's richly sensual writing blends elements of mature insight with deeply felt experience. These are poems of an examined life with moments of Zen clarity throughout. It is, in fact, the clarity that drives these poems. The language is careful but deliberate, exquisitely crafted and emotionally moving. One gets the sense that her desire to write poetry comes from the desire to give permanent voice to something in the experience of life - to find ourselves spoken for in art gives dignity to our pain, our anger, our lust, and our losses. This is what poetry is about. When Miriam Sagan casts her imaginative eye on something, it stares back." --Jeanie C. Williams, Southwest Book Views

The Biology of Desire Oct 24 2019 Through the vivid, true stories of five people who journeyed into and out of addiction, a renowned neuroscientist explains why the "disease model" of addiction is wrong and illuminates the path to recovery. The psychiatric establishment and rehab industry in the Western world have branded addiction a brain disease. But in *The Biology of Desire*, cognitive neuroscientist and former

addict Marc Lewis makes a convincing case that addiction is not a disease, and shows why the disease model has become an obstacle to healing. Lewis reveals addiction as an unintended consequence of the brain doing what it's supposed to do—seek pleasure and relief—in a world that's not cooperating. As a result, most treatment based on the disease model fails. Lewis shows how treatment can be retooled to achieve lasting recovery. This is enlightening and optimistic reading for anyone who has wrestled with addiction either personally or professionally.

Arrows of Desire Aug 14 2021 Michael Powell and Emeric Pressburger formed one of the greatest creative partnerships in the history of British cinema - *The Archers*. Their films were often controversial - Churchill tried to suppress the release of *The Life and Death of Colonel Blimp*. Later, *The Red Shoes* and *The Tales of Hoffman* startled and enchanted cinema audiences with their use of colour, form and music. However, in the last ten years the magic, poetry and passion of their work has been acknowledged around the world and they are firmly in the pantheon of film masters. This book is a comprehensive analysis of their films and is a useful guide to their work.

The Age of Desire Nov 17 2021 For fans of *The Paris Wife*, a sparkling glimpse into the life of Edith Wharton and the scandalous love affair that threatened her closest friendship. They say behind every great man is a woman. Behind Edith Wharton, there was Anna Bahlmann—her governess turned literary secretary, and her mothering, nurturing friend. When at the age of forty-five, Edith falls passionately in love with a dashing younger journalist, Morton Fullerton, and is at last opened to the world of the sensual, it threatens everything certain in her life but especially her abiding friendship with Anna. As Edith's marriage crumbles and Anna's disapproval threatens to shatter their lifelong bond, the women must face the fragility at the heart of all friendships. Told through the points of view of both women, *The Age of Desire* takes us on a vivid journey through Wharton's early Gilded Age world: Paris with its glamorous literary salons and dark secret cafés, the Whartons' elegant house in Lenox, Massachusetts, and Henry James's manse in Rye, England. Edith's real letters and intimate diary entries are woven

throughout the book. *The Age of Desire* brings to life one of literature's most beloved writers, whose own story was as complex and nuanced as that of any of the heroines she created.

The Danger of Desire May 23 2022 The third book in the sexy Sinful Suitors Regency romance series, this heart-pounding story shows why New York Times bestselling author Sabrina Jeffries is one of the most beloved historical romance writers today. To root out the card cheat responsible for her brother's death, Miss Delia Trevor spends her evenings dancing her way through high society balls, and her late nights disguised as a young man gambling her way through London's gaming hells. Then one night, handsome Warren Corry, the Marquess of Knightford, a notorious member of St. George's Club, recognizes her. When he threatens to reveal her secret, she's determined to keep him from ruining her plans, even if it means playing a cat-and-mouse game with the enigmatic rakehell. Warren knows the danger of her game, and he refuses to watch her lose everything while gaining justice for her late brother. But when she starts to delve beneath his carefully crafted façade, can he keep her at arm's length while still protecting her? Or will their hot desires explode into a love that transcends the secrets of their pasts?

The Journey of Desire Apr 22 2022 A revised and expanded edition of bestselling author John Eldredge's classic exploration of the deepest longings of the human heart."

The Enigma of Desire Feb 08 2021 *The Enigma of Desire: Sex, Longing and Belonging in Psychoanalysis*, introduces new perspectives on desire and longing, in and outside of the analytic relationship. This exciting volume explores the known and unknown, ghosts and demons, sexuality and lust. Galit Atlas discusses the subjects of sex and desire and explores what she terms the Enigmatic and the Pragmatic aspects of sexuality, longing, female desire, sexual inhibition, pregnancy, parenthood and creativity. The author focuses on the levels of communication that take place in the most intimate settings: between mothers and their babies; between lovers; in the unconscious bond of two people— in the consulting room, where two individuals sit alone in one room, looking and listening, breathing and dreaming. Atlas examines the ways in which different languages, translations and integrations focus on birth, death, sexuality, and human bonds. In *The Enigma of Desire* each chapter opens with a narrative, a therapeutic story which illustrates both the analyst's and patient's desires and the ways these interact and emerge in the consulting room. This book will be of interest to anyone who is interested in the intricacies of sex and desire and of great appeal to psychoanalysts, therapists and mental health professionals.

Models of Desire Feb 26 2020

Nine Parts of Desire Sep 27 2022 An intimate portrait of the lives of modern Muslim women reveals how male pride and power have distorted the message of Islam to justify the subjugation of women and how a feminism of sorts has flowered in spite of repression
