Star Wars: Fascinating Facts Oct 29 2022 An insider's guide to little-known facts from all nine films of the Skywalker Saga. Star Wars: Fascinating Facts is a compendium of hundreds of little-known facts about all nine episodes in the Skywalker Saga—from behind-the-scenes on-set tidbits to stories about how the tale of Star Wars was created. Profiles of important characters and early drafts of scripts show what might have been, details of how famous scenes were filmed, and other firsthand accounts from cast and crew members.

How Disney Ruined Star Wars, How The Star Wars Series Became A Global Phenomenon, Strategies For How Disney Can Salvage The Dying Star Wars Franchise, And How An Average Gamer Can Earn A Living Playing Star Wars Video Games Sep 28 2022 This essay sheds light on how the how Disney ruined Star Wars and elucidates how the Star Wars series became a global phenomenon. Moreover, strategies for how Disney can salvage the dying Star Wars franchise are identified and how an average gamer can earn a living playing Star Wars video games is delineated in this essay. Much to the dismay of avid Star Wars fans, the once beloved Star Wars franchise has been egregiously by ruined Disney. The consensus that Star Wars Episode 7: The Force Awakens and Star Wars Episode 8: The Last Jedi are eminently appalling and devoid of a modicum of merit has attributed to Star Wars loosing its luster and becoming more or less of a dying franchise. The imprudent decision of Disney to take the masterpiece of the Star Wars franchise into a new direction for the worse and become fraught with terrible plot points, vapid narratives, uninteresting characters, and a lack of merit in all facets is something that has been spurned by the Star Wars community and ruined the once legendary Star Wars franchise. After George Lucas decided to sell Lucasfilm and the Star Wars property in 2012, the Star Wars franchise would never again be the same much and would inexplicably be degraded in merit, much to the dismay of devout Star Wars fans. Disney neglected to utilized the scripts for the sequel trilogy for Star Wars Episodes 7-9 that they bought from George Lucas. They also decided to not utilize George Lucas's Star Wars canon material nor produce a Star Wars film based on the Star Wars' lore. The Star Wars franchise would be all the more bastardized and become an abomination of its former glorious, legendary self with the releases of JJ Abrams' Star Wars: Episode VII: The Force Awakens and Rian Johnson's Star Wars Episode 8: The Last Jedi by Disney. These Disney Star Wars movies were eminently atrocious in all facets and each deserve a 0/10 review score for their ratings at best. This is because, Star Wars fans felt that Star Wars Episode 7 was far too reliant on the familiarity and environmental settings of the original trilogy, but without any of the merits of the original trilogy. Additionally, Star War Episode 8 was did not fare any better than its predecessor film since Star Wars fans have been in an uproar regarding plot points, vapid narratives, and lack of character development which have tainted the Star Wars sequel trilogy produced by Disney. Disney has become infamous and notorious among the Star Wars community for completely ruining the once legendary Star Wars franchise and bastardizing the direction of its future by steering its trajectory into a future that many would contend is beyond salvation, especially if the multibillion dollar entertainment conglomerate that produces Mickey Mouse cartoons for children continue to stray away from following the Star Wars cannon material when producing Star Wars films. Star Wars Episode 9: The Rise Of Skywalker is destined to also be a 0/10 just like its previous sequel trilogy installments. Star Wars Episode 9 The Rise Of Skywalker will inevitably also be plagued with the issues of terrible plot points, vapid narratives, uninteresting characters,

and a lack of merit in all facets just as like its other Star Wars sequel installments. Therefore, Star Wars Episode 9 The Rise Of Skywalker is unequivocally worthy of a 0/10 review score rating based on its resounding lack of merit. Disney, the entertainment conglomerate, only knows how to produce kids films and the adult Star Wars fandom eagerly craves to not watch another Star Wars film geared toward the child demographic cohort. The extended to which Disney ruined the Star Wars franchise is truly disgraceful. While deviating away from the cannon material when producing films does not always ruin a franchise, the crux of the issue in this content is that Disney replaced George Lucas's Star Wars cannon material with something far inferior when they produced Star Wars Episodes 7-9 that forever tarnished the series.

The 28th Gate: Volume 8 Feb 09 2021 This is the end. Even during the war with Maunhouser, there were stories Hunter didn't share. Hear from Alex, Katherine, Kyrshaw and others as they show you the man they fought beside. From dedicated leader and relentless guardian, to devious strategist and crippled warrior, these are the stories of Hunter as told by the people who knew him best. But will their tales be enough to convince Civilization to finally return to the gate ring? And even if they are, is there anything left of the gate ring left to save? Find out now in the exciting conclusion to The 28th Gate series in The 28th Gate: Volume 8! Set in a far distant future, The 28th Gate is a series of tales that will appeal of fans of space marines, space fleets, and military hard science fiction. The series consists of eight volumes spread across four seasons telling the story of Hunter's struggles against the AAA corporation that created him. Each volume contains six episodic novelettes each with the action, character, and plotting of a complete story all crammed into an espresso-like package, while each season chronicles a different arc in the overall epic.

[Star Wars Episode I: The Phantom Menace](#) Nov 18 2021 A long time ago in a galaxy far, far away... A world is threatened. A young queen must save her people. A dark evil rises again. A young jedi is discovered. The journey begins.

I Am a Clone Trooper (Star Wars) Feb 21 2022 Meet the Clones from the Star Wars saga in this Little Golden Book! From Captain Rex to Commander Cody to the Bad Batch, this Little Golden Book will introduce young readers to all the Clones from the exciting Star Wars saga. Featuring stunning retro stylized illustrations, this book includes epic scenes from the Star Wars: The Clone Wars animated series on Disney+. It is perfect for Star Wars--and Little Golden Book--fans of all ages. Star Wars has captivated millions worldwide for over forty years. The phenomenon began with the 1977 theatrical debut of Star Wars, later retitled A New Hope, and has expanded to include ten additional major motion pictures (The Empire Strikes Back, Return of the Jedi, The Phantom Menace, Attack of the Clones, Revenge of the Sith, The Force Awakens, The Last Jedi, Solo: A Star Wars Story, and The Rise of Skywalker), television programming, publishing, video games, and much more.

Resist and Persist Aug 23 2019 To many, the world appears to be in a state of dangerous change. News and fictional media alike report that these are dark times, and narratives of social resistance imbue many facets of Western culture. The new essays making up this collection examine different events and themes of the 2010s that readily acknowledge the struggling state of things. Crucially, these essays look to the resistance and political activism of communities that seek to make long-reaching and institutional changes in the world through a diverse group of media texts. They scrutinize how a society relates to injustices and how individuals enact a desire for change. The authors analyze a broad range of works such as texts as Awake: A Dream from Standing Rock, Black Panther, The Death of Stalin, Get Out, Jessica Jones, Hamilton, The Shape of Water, and Star Wars: The Last Jedi. By digging into these and other works, as well as historic events, the contributors explicate the soul-deep necessity of pushing back against injustice, whether personal or cultural.

A Mohave War Reminiscence, 1854-1880 Apr 30 2020 Based on the firsthand testimony of an elderly Mohave, this study examines intertribal conflicts as well as the effects on Mohave aggression from outside influences — in particular, the encroachment of Spanish culture, the relentless westward expansion by the US government, and the access to modern weapons. Extensive footnotes. 10 plates. 3 fold-out maps.

[The Cinema of Stephanie Rothman](#) Jan 28 2020 The rare woman director working in second wave exploitation, Stephanie Rothman (b. 1936) directed seven successful feature films, served as the vice president of an independent film company, and was the first woman to win the Directors Guild of America's student filmmaking prize. Despite these career accomplishments, Rothman retired into relative obscurity. In The Cinema of Stephanie Rothman: Radical Acts in Filmmaking, author Alicia Kozma uses Rothman's career as an in-depth case study, intertwining historical, archival, industrial, and filmic analysis to grapple with the past, present, and future of women's filmmaking labor in Hollywood. Understanding second wave exploitation filmmaking as a transitory space for the industrial development of contemporary Hollywood that also opened up opportunities for women practitioners, Kozma argues that understudied film production cycles provide untapped spaces for discovering women's directorial work. The professional career and filmography of Rothman exemplify this claim. Rothman also serves as an apt example for connecting the structure of film histories to the persistent strictures of rhetorical language used to mark women filmmakers and their labor. Kozma traces these imbrications across historical archives. Adopting a diverse methodological approach, The Cinema of Stephanie Rothman shines a needed spotlight on the problems and successes of the memorialization of women's directorial labor, connecting historical and contemporary patterns of gendered labor disparity in the film industry. This book is simultaneously the first in-depth scholarly consideration of Rothman, the debut of the most substantive archival materials collected on Rothman, and a feminist political intervention into the construction of film histories.

I Am a Padawan (Star Wars) May 24 2022 Meet Ahsoka Tano, a brave Jedi-in-training--also known as a Padawan--in this Star Wars Little Golden Book written by Ashley Eckstein! This Little Golden Book follows the journey of Ahsoka Tano, a brave Padawan from the epic Star Wars space saga, as she learns the mysterious ways of the Force from her Jedi teachers Anakin Skywalker, Yoda, and Obi-Wan Kenobi. Bloodline Jul 14 2021 Includes an excerpt from a new book in the series, 'Star Wars. Aftermath: life debt' by Chuck Wendig.
The War on Terror Dec 27 2019 This book explores the ways in which television has engaged directly and indirectly with the new realities of the post-9/11 world. It offers detailed analysis of a number of key programmes and series that engage with, or are haunted by, the aftermath of the events of September 11 in the USA and what is unavoidably through problematically and contentiously referred to as the resulting 'war on terror'. The substantive part of the book is a series of independent chapters, each written on a different topic and considering different programmes. It includes series and single dramas representing the invasion of Iraq (The Mark of Cain, Occupation and Generation Kill), comedic representations (Gary, Tank Commander), documentary (the BBC Panorama's coverage of 9/11), 'what if' docudramas (Dirty War), 9/11 in popular series (CSI:NY) and representations of Tony Blair in drama and docudrama. The book concludes with an extended reflection on contemporary docudrama and an interview with filmmaker and docudramatist Peter Kosminsky.

The Rise of Skywalker: Expanded Edition (Star Wars) Sep 23 2019 NEW YORK TIMES BESTSELLER □ Witness the epic final chapter of the Skywalker saga with the official novelization of Star Wars: The Rise of Skywalker, including expanded scenes and additional content not seen in theaters! The Resistance has been reborn. But although Rey and her fellow heroes are back in the fight, the war against the First Order, now led by Supreme Leader Kylo Ren, is far from over. Just as the spark of rebellion is rekindling, a mysterious signal broadcasts throughout the galaxy, with a chilling message: Emperor Palpatine, long thought defeated and destroyed, is back from the dead. Has the ancient Lord of the Sith truly returned? Kylo Ren cuts a swath of destruction across the stars, determined to discover any challenge to his control over the First Order and his destiny to rule over the galaxy—and crush it completely. Meanwhile, to discover the truth, Rey, Finn, Poe, and the Resistance must embark on the most perilous adventure they have ever faced. Featuring all-new scenes adapted from never-before-seen material, deleted scenes, and input from the filmmakers, the story that began in Star Wars: The Force Awakens and continued in Star Wars: The Last Jedi reaches an astounding conclusion.

Martian Wars May 12 2021 Jon's prototype spaceship has disappeared. He was forced to use the emergency on-board SPOM system to make a hasty retreat blasting through space, heading straight for the Kuiper Belt, and hundreds and thousands of meteors. Mark and Ryon are forced to fight the supporters of Zypson in an intense space battle around Charon, Pluto's moon. Meanwhile on the space station filled with Zypson's evil soldiers, Laveena and Miles have escaped capture. The two Earthlings need to find a way to communicate with Mark and Ryon or risk being captured again. Martian Wars: Demise continues the sci-fi series by Peter Worthington.

Star Wars Episode I Adventures Game Book Mar 22 2022

Storytelling Industries Aug 03 2020 This book shows how the unique characteristics of traditionally differentiated media continue to determine narrative despite the recent digital convergence of media technologies. The author argues that media are now each largely defined by distinctive industrial practices that continue to preserve their identities and condition narrative production. Furthermore, the book demonstrates how a given medium's variability in institutional and technological contexts influences diverse approaches to storytelling. By connecting US film, television, comic book and video game industries to their popular fictional characters and universes; including Star Wars, Batman, Game of Thrones and Grand Theft Auto; the book identifies how differences in industrial practice between media inform narrative production. This book is a must read for students and scholars interested in transmedia storytelling.

The History and Politics of Star Wars Feb 27 2020 This book provides the first detailed and comprehensive examination of all the materials making up the Star Wars franchise relating to the portrayal and representation of real-world history and politics. Drawing on a variety of sources, including films, published interviews with directors and actors, novels, comics, and computer games, this volume explores the ways in which historical and contemporary events have been repurposed within Star Wars. It focuses on key themes such as fascism and the Galactic Empire, the failures of democracy, the portrayal of warfare, the morality of the Jedi, and the representations of sex, gender, and race. Through these themes, this study highlights the impacts of the fall of the Soviet Union, the War on Terror, and the failures of the United Nations upon the 'galaxy far, far away'. By analysing and understanding these events and their portrayal within Star Wars, it shows how the most popular media franchise in existence aims to speak about wider contemporary events and issues. The History and Politics of Star Wars is useful for upper-level undergraduates, postgraduates, and scholars of a variety of disciplines such as transmedia studies, science fiction, cultural studies, and world history and politics in the twentieth and twenty-first centuries.

Journey to Star Wars: The Rise of Skywalker Spark of the Resistance Nov 25 2019 When a distress plea goes up from the isolated planet Minfar, Resistance heroes Rey, Poe and Rose hear the call! Together they will face down a First Order battalion, terrifying flying creatures, and a weapon that could change the course of the war!

Can Rey coax Luke out of his self-imposed exile in time to save the fading spark of hope from being extinguished forever? Or will Kylo Ren and the First Order crush the Resistance once and for all? Join writer Gary Whitta (*Rogue One: A Star Wars Story*) and artist Michael Walsh (*STAR WARS ANNUAL*, *HAWKEYE*, *THE VISION*) as they take on the adventures of Force prodigy Rey, ace pilot Poe Dameron and ex-First Order recruit Finn from the hit blockbuster *Star Wars: Episode VIII The Last Jedi* — including never-before-seen scenes featuring your favorite characters!

The Phantom Menace Jul 02 2020 The Jedi Knight Qui-Gon Jinn and his apprentice, young Obi-Wan Kenobi, are charged with the protection of Amidala, the young Queen of Naboo, as she seeks to end the siege of her planet by Trade Federation warship.

Canto Bight (Star Wars) Aug 15 2021 As seen in *Star Wars: The Last Jedi*, welcome to the casino city of Canto Bight. A place where exotic aliens, captivating creatures, and other would-be high rollers are willing to risk everything to make their fortunes. Set across one fateful evening, these four interconnected stories explore the deception and danger of the lavish casino city. — An honest salesman meets a career criminal as a dream vacation turns into the worst nightmare imaginable, in a story by Saladin Ahmed. — Dreams and schemes collide when a deal over a priceless bottle of wine becomes a struggle for survival, as told by Mira Grant. — Old habits die hard when a servant is forced into a mad struggle for power among Canto Bight's elite, in a tale by Rae Carson — A deadbeat gambler has one last chance to turn his luck around; all he has to do is survive one wild night, as told by John Jackson Miller. In Canto Bight, one is free to revel in excess, untouched from the problems of a galaxy once again descending into chaos and war. Dreams can become reality, but the stakes have never been higher—for there is a darkness obscured by all the glamour and luxury.

The Star Wars Rings Jan 08 2021 Do you want to predict what happens in the next *Star Wars* movies? This book tells you how. What you will learn in this book The hidden pattern behind every single one of the *Star Wars* movies. How that pattern was also followed in *Episode VII-The Force Awakens* and will be respected again in *Episode VIII-The Last Jedi*. How to identify this hidden pattern in other great writings, from *Harry Potter* to the *Bible*. Why *Star Wars* movies feel so familiar every time, yet different. A crash course on scriptwriting and storytelling. And much, much more. What's Inside An explanation of the blueprint followed by all the *Star Wars* movies: the Ring Structure. Tons of examples of the Ring Structure in *Star Wars*: protagonists, antagonists, mentors, theme, politics, and even colors.. A detailed explanation of why *The Force Awakens* feels so similar to *A New Hope*, and how that can help us predict the plots of the next *Star Wars* movies. A forecast of what will happen to Rey, Luke, and Kylo Ren in *The Last Jedi* and *Star Wars Episode IX*. A crash course on scriptwriting and storytelling, ideal as a reference for anybody interested in writing-based arts. A reference guide of all the building blocks of great scriptwriting, from the most basic Act Structure, to the Hero's Journey, Midpoints, Chiastic Structures, and Storytelling Fractals. A research summary of all the *Star Wars* movies as a reference for readers that are not intimately familiar with the movies. Who Should Read the Book *Star Wars* enthusiasts who want to understand *Star Wars* at a deeper level. *Star Wars* fans who want to be able to predict what happens in the next installments of the saga: *Star Wars Episode VIII - The Last Jedi*, and *Episode IX*. Storytelling and scriptwriting buffs looking for a reference guide to research how to write epic scripts following the Ring Structure. Followers of the Ring Theory who want to dissect the most ambitious work of visual art to ever follow the Ring Structure. What Everyone's Saying about *The Star Wars Rings* "Let me start by telling you how excellent this book is. I had read previous iterations of the various Ring Theories, but Tomas wrote this book in such a way that makes it easy to understand and proves his points very well. He is filled with so much knowledge on story structure that I couldn't get enough" *Jedi Temple Archives*. "The *Star Wars Rings* will change how you view literature and film." *LilBookLovers* "If you are a *Star Wars* lover and a fiction writer, you should get this! Besides *Star Wars*, Tomas Pueyo Brochard introduced some other stories to show how this tried and true method of Rings can help your writing and plotting. At the end, there are many predictions about *Star Wars*. Wouldn't it be cool if the predictions were correct?!" *Read Try Write* "I couldn't drop the book. I was initially hesitant because I like *Star Wars* but I'm not a die-hard fan. But you don't need to be. This book is not just about *Star Wars*. It's about all stories and what makes them great. The author then applies those insights to *Star Wars*, making it at the same time easy to follow for a non-*Star Wars* fan, and deep enough to make the story patterns obvious from the movies." *Patricia de Llano* "I read a lot of material on narrative design and storytelling and I found this book immensely valuable. The kind of structure uncovered is really fascinating." *S. Swistun* "A fantastic, thought-provoking book" *Pierre Djian* "A page turner - full of hidden secrets, unravelling story patterns, and predictions about the new *Star Wars* movies" *Amit Aharoni* "Don't wait. Get your copy before *The Last Jedi* premieres on December 15th!"

Queen Amidala Paper Dolls Oct 05 2020

Hitler's War in Africa 1941-1942 Jun 01 2020 Adolf Hitler's war in Africa arose from the urgent need to reinforce the Italian dictator, Benito Mussolini, whose 1940 invasion of Egypt had been soundly beaten. Of secondary importance to his ideological dream of conquering the Soviet Union, Germany's Führer rushed a small mechanised force into the unfamiliar North African theatre to stave off defeat and avert any political fallout. This fresh account begins with the arrival of the largely unprepared German formations, soon to be stricken by disease and heavily reliant upon captured materiel, as they fought a bloody series of see-sawing battles across the Western Desert. David Mitchelhill-Green has gathered a wealth of personal narratives from both sides as he follows the brash exploits of General Erwin Rommel, intent on retaking Libya; the Nile firmly in his sights. Against this backdrop is the brutal human experience of war itself.

Bombad Jedi Aug 27 2022 Based on the new *Star Wars: The Clone Wars* animated series. Jar Jar Binks is mistaken as a Jedi as he and C-3PO attempt a daring, and quite comical, rescue of Padmé Amidala, who has been captured by the Separatist Alliance.

new film. Packed with 100+ images and information as penned by Star Wars™ scribe Pablo Hidalgo, it's a must-have for all fans who want to go beyond the movie experience. © & TM 2017 LUCASFILM LTD.

The Myth Awakens Sep 16 2021 The trailers for Star Wars: The Force Awakens made a strong impression on fans. Many were excited by what they saw as a return to the spirit of George Lucas's 1977 creation. Others—including several white supremacy groups—were upset and offended by key differences, most notably the shift away from a blond, blue-eyed, male protagonist. When the film was finally released, reactions similarly seemed to hinge on whether or not The Force Awakens renewed the "mythic" aspects of the original trilogy in ways that fans approved of. The Myth Awakens examines the religious implications of this phenomenon, considering the ways in which myth can function to reinforce "traditional" social and political values. In their analyses the authors of this book reflect on fan responses in relation to various elements of (and changes to) the Star Wars canon—including toys, video games, and novels, as well as several of the films. They do so using a variety of critical tools, drawing from studies of gender, race, psychology, politics, authority, music, ritual, and memory.

Screening Love and War in Troy: Fall of a City Jul 22 2019 This is the first volume of essays published on the television series Troy: Fall of a City (BBC One and Netflix, 2018). Covering a wide range of engaging topics, such as gender, race and politics, international scholars in the fields of classics, history and film studies discuss how the story of Troy has been recreated on screen to suit the expectations of modern audiences. The series is commended for the thought-provoking way it handles important issues arising from the Trojan War narrative that continue to impact our society today. With discussions centered on epic narrative, cast and character, as well as tragic resonances, the contributors tackle gender roles by exploring the innovative ways in which mythological female figures such as Helen, Aphrodite and the Amazons are depicted in the series. An examination is also made into the concept of the hero and how the series challenges conventional representations of masculinity. We encounter a significant investigation of race focusing on the controversial casting of Achilles, Patroclus, Zeus and other series characters with Black actors. Several essays deal with the moral and ethical complexities surrounding warfare, power and politics. The significance of costume and production design are also explored throughout the volume.
