Getting Through What You Are Going Through Apr 23 2022 Everyone has to go through something. We all know someone who is going through something right

now. *Getting Through What You Are Going Through* is a resource to be used whenever we find ourselves (or someone else) mired in a life situation and are unsure of the best way to handle it. This book includes inspirational stories and vignettes from history, which are written to illustrate the best path forward as we navigate through difficult or dark periods. The book is a reminder that God is always close to us and ready to strengthen, support, and settle us in even the toughest times. The principles included in *Getting through What You Are Going Through* can be implemented by anyone. They are time-tested responses that have been proven to work by others who have weathered life storms at one time or another.

Goodbye Or Go Through? Jan 28 2020 Another year has passed, and, well...everything is the same! Honestly, I have to say that it's been the same for years. I've had a few new relationships, but really it's the same relationship with new names and faces. I'm so tired of this, but there's nothing I can do! I say "I'm just waiting on the Lord" but I don't know why I should believe that right now. I don't know if God is ever going to change things or if I'm ever going to be happy. I hear all that stuff they say in church - but I never see it! I give up. God is taking too long and I have to do me! Sometimes it can be hard to know if "going through" is really worth the effort! In a combination of bible study, structured teaching, and personal stories, this book examines some of the major ideals motivating our culture, and challenges the reader to

align them with the standard of biblical righteousness. Expect to be informed, challenged, and inspired. You can live happily ever after; even when life is no fairytale! Dallas T Ruffin is a highly sought-after teacher, motivational speaker, consultant, and author. Dallas ministers a powerful message of hope through salvation in and a renewal of the mind through Jesus Christ. She is the founder and CEO of a network of companies and ministries, including: Dream Factory Enterprises, Success Academy, Heaven Bound Ministries, and her present expression Redeeming The Time Life Coaching. Dallas offers dynamic workshops that provoke transformation through the Word of God. Dallas is happily married to her husband Dr. Isaac Ruffin Jr and they have two young daughters."

Going Through Samaria Sep 16 2021 Are there places in your life that you would rather not go? Are there places in your life that you wish you had not gone? Are there people in your life that you would rather not deal with? If the truth is told, the answer for most of us would be yes. The primary focus of *Going through Samaria* is to focus on this truth and to inspire you as you go through such places. As you read the book, you will learn about; 1. a place in the Bible that God's people did not want to go; 2. a people that God's people did not want to deal with ; 3. traveling through life is like going on a journey; 4. going places that you do not want to go; 5. waiting on God; 6. how God will help you to endure; 7. some places that you

don't want to go can take you to just where God want you to be; and 8. that going through places in life that you do not want to go is not always easy, but it is doable. You will also learn that your God-ordained marriage can have its share of difficulty. Additionally, no matter what place that you are in right now, whether problems in your home, finances, body, unsaved spouses, children or grandchildren, drug addiction, problems with your neighbors, problems on your job or in the church, this book will inspire and help you to realize God can and will get you through your difficult places or get you out of them as you trust, obey, and wait on him.

Extraordinary Popular Delusions and the Madness of Crowds Feb 27 2020 Delusions are exposed to reveal the following: The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. Explore how the "ancient Roman salute" myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome, NY: a statue of two human male

infants suckling on a female wolf. That statue remains on display in Rome, NY. See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Discover how Stalin was forced to involuntarily join the allies during WWII. Learn how the word "fascist" is related to the word "faggot."

Discover how the military salute was the origin of the Nazi salute. Read why the Pledge of Allegiance would not be performed by anyone today (other than kooks) if the truth were taught in school. Find out who you are, what you are, and how you got to be that way. Also learn who you should blame: your teacher (and the government's schools). Debunk myths about Adolf Hitler, Joseph Stalin, Vladimir Lenin, Mao Zedong, Francis Bellamy (and his cousin Edward Bellamy), Fascism, Unionism, Socialism, genocide, swastikas, the Pledge of Allegiance to the flag, the cliché "under God," Christianity, modern crusades, ancient Rome, military socialism, Sovietology, crony socialism, and the military-socialism complex.

"Extraordinary Popular Delusions and the Madness of Crowds Today" is long awaited. There is an inferior book from 1841 by author Charles Mackay that is outdated. Mackay's book contains nothing on the 20th century, nor the 21st century, nor the last half of the 19th century. This book provides the latest information. The author Ian Tinny brings the newest delusions and madness that are here for you today! So, let your freak flag fly! The Pointer Institute proudly presents another news-breaking volume

from Ian Tinny and the Dead Writers Club (DWC). Much of the madness is illuminated from the work of the historian Dr. Rex Curry. Tinny is a philologist and a forensic fraud analyst. Tinny's work led to the arrest, trial, conviction, and imprisonment of America's Dumbest Criminals (and the foreclosure of their homes, along with victim restitution liens, and criminal forfeiture judgments, in amounts totaling millions of dollars). Tinny collaborates with the legendary Dead Writer's Club ("DWC" -an author's group) and assists the Pointer Institute for Media Studies to provide remedial education to journalists about history, economics, and government.

I Love Going Through this Book Feb 21 2022 For one reader, going through a book is an incredible adventure. *Going Through the Storms of Life with God's Grace and Mercy* May 24 2022 I committed my life to Christ as a teen. I can remember attending a revival at my church. My church was Zion Temple First Pentecostal Church at that time. My bishop was Bishop Jasper J. Phillips. That night, I was so moved by what I heard, I decided to give my life to Christ. I can look back now, and it was the best decision that I made to date. I started on my journey to live for Christ. I was in the choir. I joined the Bible Bowl Team, where we studied certain topics and themes from the Bible. I also entered a biblical essay contest. I won an award for my entry. I want to note that the Bible Bowl

and essay contest were part of the International Young People's Pentecostal Assembly of the World. This is where each church in our district competed against each other. These were friendly competitions. This was very helpful in learning and understanding God's word. In this competition, we had great, spirit-filled coaches and counselors who encouraged us to study.

Going Through Divorce....Now What? Jul 14 2021

Going Through Gethsemane Nov 18 2021 Have you been there? Have you been in place where you felt abandoned, forgotten, down trodden and without hope. If you have, join the crowd. We all have at some point in our lives. The author considers the dark times as Gethsemane moments. This inspirational book explores these times and more importantly offers encouragement and possible ways to get through Gethsemane. Life is beautiful, yet into every life comes periods of darkness, or you can call them Gethsemane moments, we can and must go through Gethsemane.

Going through the fire Jul 26 2022 Many times believers go through fire in their life, marriage, work place, family, studies, health, wealth, etc. The questions that are in all the minds are: why me? Will I ever come out of that fire alive? Will God show up? And if He does show up, will it be too late? The fire is real, and no one can describe the temperature of the flames better than you, because you can feel them. We will see the example of believers who went through fire in their days, and how God helped

them.

Going Through the Gate Apr 11 2021 The five sixth-grade students in a small town prepare for their teacher's annual graduation ceremony, a mysterious ritual that several generations of students have experienced but no one can discuss.

What Are You Going Through Oct 17 2021 NAMED A BEST BOOK OF 2020 BY NPR, PEOPLE, AND O, THE OPRAH MAGAZINE A NEW YORK TIMES CRITICS' TOP BOOK OF 2020 NATIONAL BESTSELLER "As good as *The Friend*, if not better." —The New York Times "Impossible to put down . . . leavened with wit and tenderness." —People "I was dazed by the novel's grace." —The New Yorker The New York Times–bestselling, National Book Award–winning author of *The Friend* brings her singular voice to a story about the meaning of life and death, and the value of companionship A woman describes a series of encounters she has with various people in the ordinary course of her life: an ex she runs into by chance at a public forum, an Airbnb owner unsure how to interact with her guests, a stranger who seeks help comforting his elderly mother, a friend of her youth now hospitalized with terminal cancer. In each of these people the woman finds a common need: the urge to talk about themselves and to have an audience to their experiences. The narrator orchestrates this chorus of voices for the most part as a passive listener, until one of them makes an extraordinary request, drawing her into an intense and

transformative experience of her own. In *What Are You Going Through*, Nunez brings wisdom, humor, and insight to a novel about human connection and the changing nature of relationships in our times. A surprising story about empathy and the unusual ways one person can help another through hardship, her book offers a moving and provocative portrait of the way we live now.

Though I Walk Through The Valley Aug 23 2019

Walking the painful path of divorce leaves us feeling isolated, despaired, and doubtful of any happiness and peace again. While the narratives shared in this book are theirs alone, there are great commonalities. Each is full of pain; but even in the valley of messy, broken, and death-filled relationships, there is relief, healing, and hope in every story. You will find hopeful reassurance in and through the raging storms and valleys of shattered relationships. No matter the wounds, Tim Scott reminds us there is a healing balm that sustains us if we will make

the choice to turn to Christ in our brokenness. We have every reason to hope. --Terry W. Pollard, pastoral coach and mentor (Des Moines, Iowa) The weaving of the experience of different people of both genders and ages along with strong biblical reference and relevance creates an undeniable picture of the human condition. In reading this book, God will stretch your thinking and sensitize your heart to the heart of this painful reality. A must-read for anyone interested in representing the real Jesus to a broken world. --Pastor Ernest Mullins (Raleigh, North Carolina) As a pastor and child of divorce, I found *Though I Walk through the Valley* a heartfelt, gut-wrenching, and hopeful story of walking through the valley of divorce. This book is a great resource for those who find themselves in the heartbreaking situation of a broken dream and marriage. God's grace will walk with you every step of the way. --Pastor Gina Colburn, BreakPointe Community Church (Overland Park, Kansas) I believe that *Though I Walk through the Valley* will be a very helpful resource, both to those who have gone through a divorce or who are on the verge of going into one. Most of us in the church are unaware of the opportunity for ministry among those we know who are going through this valley. This book will be a great resource in helping the church understand the struggles of an individual going through a divorce. --Pastor Shawn DeOrnellis (Milton, Washington) Sharing many people's stories makes *Though I Walk through the Valley* very

relatable. I believe God is going to use this book to minister to many. --Pastor Dan Menefee, Crossroads Wesleyan Church (Rapid City, South Dakota)

Inspiration Divine Sep 04 2020 Darwin Stephenson's message in *Inspiration Divine* reveals a simple understanding of how discovering one's purpose will bring about the enlightenment of both yourself and all of humanity. By distinguishing what we are and why we're here, *Inspiration Divine* provides a prescription for evolving beyond our current physical existence to a Spiritual existence. Whereas science and religion struggle to find common ground, *Inspiration Divine* reveals an understanding of our Universe, God and Humanity to bring evolution, physics and the Divine into a single theory. Filled with timely and powerful tools for transformation, *Inspiration Divine* brings a Spiritual practice into the reality of our everyday lives by helping us awaken to the messages from the Divine that are all around us.

Going Through the Valley Mar 10 2021 'Going through the Valley' is a very inspiring book that speaks about our Christian walk as Children of God. We can define the Valley as any place, period, or situation that is filled with fear, gloom, foreboding, but at the end of our valley experiences we come out filled with love, God's joy and fulfillment. Valley experiences are meant to make us better and stronger in our walk with God. Valleys are also places of fruitfulness. It's a place where we meet with our

father and maker face to face, a place where we grow and become transformed to His will. The valley experience is the path that leads us to our God given destiny. As you read this very interesting book, you will not only be challenged but will have a new perspective about the Valley, why we go through valleys and the benefits of going through the valley. As you prayerfully read this book, the Lord is going to give you insight and revelation.

Getting the message through: A Branch History of the U.S. Army Signal Corps Aug 03 2020

Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the

institutional history of the branch.

Going Through the Emotions Jun 25 2022 This book of poems was written by a Trinidadian born, Brooklyn raised, walking emotion. She can listen to a friend, family, or stranger, and feel what they may be feeling. She knows how to put those feelings onto paper for others to enjoy and or understand. She pray that others will enjoy the poems, especially her favorite, "I Will". She was inspired to write that poem after listen to the poem "Who Will Cry For The Little Boy", recited by Derek Luke in the Antwone Fisher movie.

Going Through the Notions Aug 27 2022 A retired schoolteacher—and yes, daughter of an F. Scott Fitzgerald fan—Daisy Buchanan has finally found her calling in the quaint village of Millbury, Pennsylvania. While her husband endlessly renovates their old house, Daisy happily presides over Sometimes a Great Notion, a quirky shop that sells sewing bits and bobs, antiques, and jewelry. Daisy has her eye on an antique dollhouse and a classic Singer Featherweight at the local auction—until her friend and mentor, auctioneer Angus Backstead, is led away in handcuffs. It appears he bashed in the head of a drinking buddy who stole a set of fancy fountain pens. Daisy's sure the sprightly old-timer couldn't have done it. But if Daisy can't stitch together the bidder truth—and soon—Angus will be going once, going twice... gone forever. Includes creative tips for vintage notions!

Going Through Life with the Angels Dec 19 2021 This

Semiotics Jul 22 2019

Through It All Sep 23 2019 The book aims to inspire the reader to trust completely in God and His promises and to never give up no matter the circumstances one is going through. Through personal testimony, the author is honoring God for His faithfulness through the many trials and tribulations that he has been and continues to go through. The book is therapeutic and has an internal purpose, as it helps the reader (and certainly the author) to heal from past wounds (by mourning previous loss, communicating frustrations, and expressing feelings). It

also helps to maintain hope that one can go through trials and tribulations by focusing on the positive things of life and growing in faith, moving on and believing in God's promises no matter the circumstances one is in. The book notes that people who suffer immensely are chosen people who God wants to use and that the severity of the suffering to the individual can be equated to the extent to which God wants to use that individual. The writer, reflecting on his life, makes it clear that pain and suffering are guaranteed but that one can go through it all if one puts his/her trust completely in the Lord. The book is intended for every reader, and it is envisaged that it will especially appeal to many who are going through pain and suffering of whatever kind and severity and are looking for solutions in a godly way. Because the book is written in a very personal way, it is likely to touch the hearts of many.

Going Through the Storm of Your Life Sep 28 2022 Are you going through an unbelievable crisis in your life and don't know what to do? Well there is an answer for you. You can make it through this horrible time. In life we all must go through storms that either make us stronger or break us. Don't let the storm overtake you. You can make it through the storm if you don't give up. This book was written for you so you can go through your crisis, problem, disaster - storm - **VICTORIOUSLY!** As an Earth Science Teacher for several years, I have taught sixth graders about the different storms on our Earth such

as tornadoes, hurricanes, and thunderstorms. God gave me a revelation that just as a physical storm on Earth goes through several stages, a spiritual storm will take you through these same stages. In this book, I compare the stages of a spiritual storm to that of a physical storm.

Most importantly in reading this book, you will learn how to weather the storm and know what to do at each stage so you can become a stronger, more spiritual person. In this book I include steps to take when going through a crisis.

There are several similarities between a spiritual and physical storm. We eventually recover from a hurricane, tornado, or flood and we can also recover from a spiritual storm or crisis. It may take time but if we are diligent and don't give up we can come out of the storm victoriously.

God, I Don't Know What to Say Right Now Nov 06 2020

We are all on a journey in this life. For some, it seems like the path we are on is smooth sailing, no hindrances, and no major events to be concerned about. But for many others, the road has not been smooth. There have been some bumps, potholes, roadblocks, street closures, and even diversions. There have been so many events in their lives: death, life-threatening illnesses, and job loss. They seem to happen one after the other, or while we are in the middle of one crisis, another one is occurring. It is at this point, for many, and after much prayer for and over the situation, that we throw up our hands and say,

“God, I don't know what to say right now.” On life's journey, we are either

entering, going through, or coming out of a wilderness. The necessary weapon for warfare on that journey is prayer. It is the conversation that we have with God where we cry out for help from the pains we feel inside and echo the pleas of the desires of our hearts. Yet there are times when we don't know what to say; we are at a loss for words. In this book, we explore prayer in and through our wilderness moments. We look at tools and practices that can increase and improve our conversations with God, especially when we are struggling to find the right words to say as we go through the many events that can happen in our lives.

The Pendulum Mar 30 2020 You Haven't Missed It; You're Right on Time! Many of God's people feel guilty for going through difficult seasons. We think depression is spiritual weakness. In challenging circumstances, we ask: "God, where are You?" We consider the state of our lives and become discouraged, assuming we are not where God wants us to be. But what if we are? What if the very circumstances that threaten to destroy us are the very things that launch us into our God-ordained moments of destiny? In *The Pendulum*, Pastor Rickie Rush shows you that there is a time for everything under heaven. Learn how: Your seasons of difficulty can push you closer towards fulfilling your purpose God never wastes the struggles that you go through To embrace and flow with the natural seasons of life God's supernatural ability causes you to come out victorious on the other side God

wants to use your story and transform you into someone who can help others flourish in every season of life!

Mann of My Dreams Book 1: If You're Going Through Hell Keep Going Jun 13 2021 Mark Vincent and Quinton Mann have finally kind of, sort of, exchanged promises. Mark has returned from an assignment on the West Coast, and he's looking forward to spending some quality time with his lover. After all, it's the St. Patrick's Day weekend. What could be better than a little beer, a little corned beef on rye, and Quinn in his bed? However, on Monday it's back to the grind -- this time to an almost empty department. Matheson is away on assignment and Ms. Parker, Mark's secretary, is taking sick time, something she never does. But these aren't the only signs of something unusual, well, more unusual than normal, going on. Gradually, Mark uncovers a series of events going back to the previous spring and involving not only his senior special agent but Theo Bascopolis, a former rent boy who is Mark's friend. While Mark unravels the threads of the Gordian knot the WBIS has become, he realizes how deep his feelings for Quinn have grown. But can a spy like Mark ever hope to be "the one" for a spook like Quinn?

Knowing Yourself Knowing God Apr 30 2020 Dr. John Shackelford, Christian psychologist, wants to help you know yourself. Your journey starts with being honest about your life and what you have been through - the good and the bad - and considering how it has affected

you. He then offers three personality systems which have helped him and which can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram adds value as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr. Shackelford also offers chapters on the ego, the False Self and the True Self. In your life you go through painful experiences where you flounder and fail (collapse of False Self). This life crisis, though difficult, can be a portal from your ego-run-life, to a healthy dependence on God, what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way, despite being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second part of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Gift, God's Will, and God's Desire. This can serve as a foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who made

a consistent effort to pursue God and journal their experiences. The reader can see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this journey life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and God, so that one may in humility accept the riches of knowing Christ in a intimate way. Following Him flows from deep attachment, gratitude, and having learned to hear His voice. The reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me. " Galatians 2:20 NIV.

Getting Through What You're Going Through Mar 22 2022 Robert A. Schuller offers ten principles based on Psalm 23 to help break down the barriers to healing and help readers "get through" their difficult times. Whether you're facing divorce, illness, the death of someone you love, a financial setback, or any other seemingly insurmountable problem, this book can be the answer to your prayers. Schuller's ten principles will take you verse-by-verse through the Twenty-third Psalm, while breaking down barriers to healing, including self-pity, guilt, fear, and the inability to forgive. Above all, *Getting Through What You're Going Through* proves the healing power of

faith and prayer. "To get through what you're going through, you must be willing to be carried, and that takes trusting," explains Schuller. "Let go and let God support you, and your faith will lead you out of the valley into the Promised Land."

I've Got to Make It to Heaven for Going Through Hell

Aug 15 2021 Antoine Warren is a New York City kid who is looking for direction in life. Growing up in a dysfunctional family and looking for acceptance, Antoine decides to venture off into the street life by joining a notorious gang. In the beginning all seems well with his new lifestyle, until it leads him into places and situations he wasn't expecting to go. Antoine encounters one life threatening/changing circumstance after another some expected and some unexpected. Feeling all alone, struggling with life, and totally lost, is there light at the end of the tunnel for Antoine? Yet somehow through it all, divine intervention intercedes and Antoine figures out that he may not have been alone all along. Part I

Going Through May 12 2021 Let's see where do I start?

After my grandmother passed my mother soon found herself on drugs. We lost everything. Had to move from place to place; rain, sleet, or snow. Sometimes leaving our belongings behind. Abusive relationships were common. On several occasions we had to jump from a two story home to escape. I soon found myself in a gang of unhealthy relationships and activities. I went from nearly dying giving birth to my first baby at seventeen to

stripping in nightclubs. I can truly say I've lived my life by the gun, once robbed at gun point. Jailed for aggravated assault the list goes. I fought because that was all I knew how to do. Life and its ups and downs... My biggest upset may have been the very rumor my very own mother spewed. I had aids... I am still going through healing and pain. Still going through fighting the demons of my past. Read this journey of daily repair, a raw uncut tale of hurt, pain, and recovery.

When God Stopped Keeping Score Dec 07 2020

Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell

the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your "silence" maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This book is the first step in a remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be.

The Love Ladder Jul 02 2020 A Bible Study for couples in any phase of their relationship, created to help weather difficult times during your relationship and equip you to succeed together. This book does not intend to hash out old problems or mistakes. It looks to work past them, through them, and move towards a relationship built with grace and forgiveness through the foundation of Jesus. Pain and adversity are going to come in your marriage. What you choose to do in the midst of them will define which direction it will take - closer to Jesus offering greater intimacy between the two of you, or creating a gap between the two of you and causing you to feel lonely, abandoned, absent of faith. These times for discussion and reflection have come from a marriage littered with both good and bad decisions in the midst of adversity - on both sides. We have been where you are emotionally and have

been on the brink of utter desolation more than once. We encourage you to use this as a guide to draw near to one another, open lines of uncomfortable discussion, and most importantly - learn how to turn to Jesus together.

Going Through the Potions Oct 05 2020 Escape to the Pacific Northwest, where magic and mountains meet murder and mayhem. Down on her luck witch Althea "Ali" Everwood has big plans for her life in Mt. Rhenier, a sleepy mountain town in the paranormal world. It might be because her foot practically lives in her mouth, or because her habit of running headlong into every situation is better suited to a bull on steroids than a witch, but Ali just never manages to catch a break. Her luck goes from bad to worse when she stumbles across the body of a murdered dragon shifter and then gets fired from her dead-end job in less than twenty-four hours. And things get even hairier when the family of her slain friend offers a reward. Every paranormal in town comes out of the woodwork to make some cash, including her eclectic seventy-something grandmother who isn't afraid to hex anyone who gets in her way - even her granddaughter. But all Ali wants is justice and she will stop at nothing to find the person responsible. Thanks to some help from her whip-smart best friend Willow, Ali quickly hones in on a prime suspect, and is confident she's going to beat everyone to the punch, including the mysterious - and muscular - new enforcer in town. But the killer has other ideas, and the closer Ali gets to uncovering the truth, the

closer she is to becoming the next victim. Will Ali be able to solve the case before the killer puts a permanent end to her investigation? *Going Through the Potions* is the first book in the Pacific North Witches series of humorous paranormal cozy mystery novels.

Through the Valley Jun 20 2019 A cancer diagnosis can be shocking and overwhelming, to say the least. But what happens when a husband and wife are both diagnosed with cancers that typically have poor prognoses? Richard and Robin Johnson were the pastors of a rural Colorado church where they were both diagnosed with cancers that would change their lives forever. “We all face ‘valley experiences,’ but how we deal with these situations and experiences will determine the outcome for us,” Richard says. “We can fall prey to fear, worry and defeat, or we can look to the Lord to help us, to strengthen us, and to become what He desires us to be in the midst of every situation.” Through the Valley will encourage you to trust God and live victoriously in whatever you may be going through in this life, for when Jesus is all we have, Jesus is all we need!

Going Through the Journey of Healing Jun 01 2020 "He has sent me to bind up the brokenhearted, to proclaim freedom for the captives, and release from darkness for the prisoners... " (Isaiah 61:1) "I'm not good enough. I will never make it," he said staring at me, arms folded tightly. "I never felt wanted. All my life...never," the elderly woman sobbed. So many wounded and broken in this world: broken hearts, shattered lives, loss of hope.

But we can make a difference in this world. First, by allowing God to heal our deep inner wounds and secondly, but being trained as an Amazing Love Healing prayer minister. We see lives transformed from victims to victors just through the healing power of Jesus Christ. The journey of healing you are now embarking on is life-changing and life-giving! A woman walked up to me at a church event and said, "you probably don't remember me but you prayed for me 10 years ago at one of your conferences and my life was totally changed!" "Going through..." describes our healing journey with Jesus as we face every challenge both past and present and experience His healing grace and transformation. He is the God who heals us!
