When God Made the World Feb 09 2021 From the author of the bestselling children's book *When God Made You* comes a rhythmic, whimsical journey through creation--for little readers who love science and wonder and the beginnings of all things. For spiritual parents who are looking for a different kind of creation book, Matthew Paul Turner's *When God Made the World* focuses on the complex way that God created our vast and scientifically operating universe, including the biodiversity of life on our planet and the intricacies of a vast solar system. Scottish illustrator Gillian Gamble brings the natural world to vibrant life with rich colors and poignant detail certain to stretch young minds and engage imaginations. Planet Earth, God made a blue and green sphere, And designed it to orbit the sun once a year. God made daytime and nighttime, climates and seasons, And all kinds of weather that vary by region. God made continents and oceans, islands and seas, A north and south pole that God put in deep freeze. God carved rivers and brooks, mountains and caves, Made beaches with sand and huge crashing waves. God made tropics and plateaus, glaciers and meadows, marshes and tundras and erupting volcanos.

Bible Trivia for Kids Oct 05 2020 Hi and a very warm welcome to "Bible Trivia for Kids". A Fascinating Book Containing Unusual Bible Facts, Trivia, Images & Memory Recall Quiz: Suitable for Adults & Children. I'm one of those people who loves to hear about extraordinary facts or trivia about anything. They seem to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the "WoW" factor but for some reason my brain seems to store at least some of it for a later date. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Amazon seems to work well, particularly with children. This edition includes a selection of those "WoW" facts combined with some pretty awesome pictures, if I say so myself! At the end there is a short "True or False" quiz to check memory recall and to help cement some of the information included in the book. Don't worry though, it's a bit of fun but at the same time, it helps to check your understanding. Please note that if you're an expert on this subject then you may not find anything new here. If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it. Matt.
